FSBO: Hotel Prices Reduced

Summer 2009

Greetings Hotel Real Estate Professional:

There has been a recent price reduction on 4 Suite Hotels!

The current cloudy financial environment and inevitable inflation is a once in a lifetime real estate opportunity.

The FSBO Seller would be willing to work with brokers on the basis of 3%. Brokers could register one party for one specific hotel at a time for 30 days with a 30-day extension provided if need time to get into escrow.

Visit www.rareearthdev.com for updated information and financials.

We look forward to working with you in this time of opportunity.

Best regards,
Pamela Barnhill
